

Move your feet so others can eat!

Last year, nearly 3,000 neighbors of all ages turned out for the Mission's 11th Annual Turkey Stampede.

This year, gather up your family and friends and be part of a 10K run, a 5K walk/run or a 1 mile walk through the streets of Elkhart. Or, become an event sponsor through our business or organization.

All proceeds benefit the men, women and children served by Faith Mission.

Due to Current COVID-19 restrictions, time and location are pending.

“God wants me here at Faith Mission!”

Cassandra became the caregiver for her younger brothers and sisters while she was still a teenager.

Diagnosed with scoliosis at 13, she suffered through a surgery, began taking pills for the pain, and soon became addicted.

Today she shares her struggles and her triumphs, with others seeking help here at Faith Mission.

Thanks for Giving!

This year has challenged each one of us to be faithful and make sacrifices.

Those of us here at Faith Mission – both staff and guests – are more grateful than we could ever express for the support and sacrifices of our community partners, volunteers and donors that have enabled us to carry on our work.

Again and again, we have seen demonstrations of the powerful love for others that Christ shows us. In sacrificing for us, He invites us to love and sacrifice for those around us.

Through your faithfulness you have enabled the Mission to not only continue to bring help, hope, and healing to hundreds of men, women and children all over Michiana, but to expand services into more communities in need!

Everyone, from those sheltering here at the Mission to those receiving meals in Goshen, Nappanee, Wakarusa, Bristol and Middlebury, joins me in thanking and blessing you for your support.

Dealing with responsibilities beyond her years, pain from two back surgeries before she was 18, and periods of addiction to pain killers, Cassandra grew up thinking “there was something wrong with me.”

She went from caring for a step-brother and sister to having her own child at 19. Then, to keep from losing custody of her children, Cassandra entered a drug rehab program. “That was the first time I ever got clean in my whole entire life,” she says today. Knowing that she needed more than eight weeks to change her lifetime habits, Cassandra entered a two-year program in South Bend.

While in the program, Cassandra not only beat her addiction, but got her high school diploma, her own car and eventually, her own apartment, “all without government assistance.”

She went on to work as a recovery coach at Oaklawn here in Elkhart, and that’s where she learned about Faith Mission. Now, clean and

“Jesus kind of took over my life.”

sober for eight years, Cassandra is using her experiences to help others.

“I did intake with a gentleman who was just blown away by the fact that the things he is struggling with are the same things I struggled with!”

“I just want to see everyone win. This is in my heart; it is Jesus’ heart. I just want to love these people with no boundaries. I just want people to see what I see in them. I want them to see the reflection of what I see.”

“God will not forget your work and the love you have shown him as you have helped his people and continue to help them.” Hebrews 6:10
